2. Yr Awdurdod Cynllunio Lleol

Mae'n bwysig bod yr Awdurdod Cynllunio Lleol (ACLI) yn defnyddio'r broses cyn-ymgeisio i ymgysgu'r cais a chasglu gwybodaeth a fydd yn helpu i lunio Adroddiad ar yr Effaith Lleol (AELI), sylwadau ysgrifenedig ac unrhyw Ddatganiad Tir Cyffredin. Mae mabwysiadu dull rhagweithiol yn ystod y cam hwn yn debygol o leihau'r galw ar adnoddau'r Awdurdod yn ystod y cam archwilio. Mae rhagor o arweiniad ar y mater hwn i'w gael yn [Nogfen Canllawiau Gweithdrefnol](#) y DAC.

Fel y gallech fod yn gwybod, mae PCAC yn gyfrifol am gyhoeddi manylion y cais pan fydd wedi'i gyflwyno, ac ysgrifennu at y rhai y gallai'r cais effeithio arnynt.

O ystyried hyn, byddai'n hynod ddefnyddiol pe gallech ddarparu rhestr o bobl y byddech wedi'u hysbysu, pe byddai'r cais wedi'i gyflwyno'n uniongyrchol i chi, ar fyrder. Yn benodol:

- pob cynghorydd sir neu gynghorydd bwrdeistref sirol sy'n cynrychioli ward etholiadol y lleolir ynddi dir y mae'r cais arfaethedig yn ymwneud ag ef;
- pob cyngor cymuned y lleolir yn ei ardal dir y mae'r cais arfaethedig yn ymwneud ag ef;
- eiddo cyfagos; ac
- unrhyw unigolion perthnasol eraill a chyrrff arbenigol fel y gwelwch yn briodol.

3. Pob parti

Rydym yn croesawu gohebiaeth Gymraeg. Cewch ateb Cymraeg i bob gohebiaeth Gymraeg ac ni fydd gohebu yn Gymraeg yn arwain at oedi.

We welcome correspondence in Welsh. Correspondence received in Welsh will be answered in Welsh and corresponding in Welsh will not involve any delay.

Os oes gan unrhyw barti gwestiynau'n ymwneud â'r llythyr hwn, neu'r broses DAC ei hun, mae pob croeso i chi gysylltu â mi gan ddefnyddio'r cyfeiriad e-bost neu'r cyfeiriad post ar frig yr hysbysiad hwn.

Yr eiddoch yn gywir

This letter therefore should therefore be treated as **official notice of acceptance of the notification, under Article 6 of the 2016 DNS Procedure Order.**

All parties should read the following carefully to ensure they understand the process and note any relevant deadlines.

1. The Applicant

The Applicant is now required to carry out publicity before the application is formally submitted. In accordance with Article 8 of the 2016 DNS Procedure Order, the Applicant must now publicise the proposed application by—

- (a) *giving requisite notice -*
 - (i) *by site display in at least one place on or near the land to which the proposed application relates for not less than 42 days;*

- (b) *publishing the following information on a website maintained by the applicant, for not less than 42 days beginning with each day on which each of the notices referred to in subparagraph (a) or article 9(2) are given –*

Rydym yn croesawu gohebiaeth Gymraeg. Cewch ateb Cymraeg i bob gohebiaeth
Gymraeg ac ni fydd gohebu yn Gymraeg yn arwain at oedi.

We welcome correspondence in Welsh. Correspondence received in Welsh will be answered in Welsh and corresponding in Welsh will not involve any delay.

- (i) *the draft application form published by the Welsh Ministers under article 12(1)(a) (or a form substantially to the like effect), including the particulars specified in or referred to in the form;*
- (ii) *a plan which identifies the land to which the proposed application relates;*

- (iv) *a copy of the notice required by article 6 which has not lapsed under paragraph (3) of that article;*
- (v) *the design and access statement required by article 14;*
- (vi) *subject to article 12(3), the particulars or evidence required by the Welsh Ministers under section 62(3) of the 1990 Act (applications for planning permission);*
- (vii) *where applicable, a statement referred to as the environmental statement for the proposed development; and*
- (viii) *a written statement about any secondary consent connected with the proposed application in respect of which the applicant considers a decision on that consent is to be made or should be made by the Welsh Ministers, together with the draft application form and documents associated with such consents.*

The Applicant is also required to carry out consultation in line with Article 9 of the 2016 DNS Procedure Order:

- (1) *The following persons or descriptions of persons are specified for the purposes of section 61Z(4) of the 1990 Act –*
 - (a) *any community consultee;*
 - (b) *any specialist consultee; and*

The Applicant is required to submit a pre-application consultation report as part of the application submission in accordance with Article 11 of the DNS Procedure Order. PEDW must be satisfied that the requirements of the 2016 DNS Procedure Order have been met and that responses have helped inform the final scheme, before an application can be accepted for examination.

If the Applicant requires a Purchase Order number to be quoted for payment to be processed, please provide this to PEDW at your earliest convenience. Late provision of any such details could lead to delays in the invoicing process.

Rydym yn croesawu gohebiaeth Gymraeg. Cewch ateb Cymraeg i bob gohebiaeth Gymraeg ac ni fydd gohebu yn Gymraeg yn arwain at oedi.

We welcome correspondence in Welsh. Correspondence received in Welsh will be answered in Welsh and corresponding in Welsh will not involve any delay.

2. The Local Planning Authority

It is important that the Local Planning Authority (LPA) uses the pre-application process to inform itself about the application and gather information that will assist in the production of a Local Impact Report (LIR), written representations, and any Statement of Common Ground (SoCG). Adopting a proactive approach at this stage is likely to reduce the demand on the Authority's resources during the examination stage. Further guidance on this matter can be found in the DNS [Procedural Guidance document](#).

As you may be aware, it is PEDW's responsibility to publish details of the application when it has been submitted, and to write to those who may be affected by it.

In view of this it would be extremely helpful if you were able to provide a list of people you would have notified, had the application been made directly to you, as a matter of urgency. Specifically:

- each county or county borough councillor representing an electoral ward in which the land to which the proposed application relates is situated;
- each community council in whose area the land to which the proposed application relates is situated;
- neighbouring properties; and
- any other relevant persons and specialist bodies that you see fit.

3. All parties

If any party has any queries in relation to this letter, or the DNS process itself, please do not hesitate to contact me, using the email address or postal address in the header of this notice.

Yours sincerely

Hannah Roberts
