

The Development of National Significance (Procedure) (Wales) Order 2016

PUBLICITY AND CONSULTATION BEFORE APPLYING FOR PLANNING PERMISSION – NOTICE UNDER ARTICLES 8 AND 9(2)

Purpose of this notice: this notice provides the opportunity to comment directly to the developer on a proposed Development of National Significance (DNS) prior to the submission of a planning application to Welsh Ministers. Planning applications for DNS will be publicised by Welsh Ministers and the relevant local planning authority; any comments provided in response to this notice will not prejudice your ability to make representations to the Welsh Ministers on any related DNS planning application. You should note that any comments submitted may be placed on the public file.

Proposed development at land between the M4 Motorway and the South Wales Main Line Railway, near Llanwern, Underwood and Bishton.

RWE Renewables UK Limited are currently preparing a Development of National Significance planning application for submission to the Welsh Ministers for the installation and operation of a solar farm, associated infrastructure, substation, access, biodiversity enhancements, landscaping, and grid connection.

The proposals are currently subject to a six week period of Pre-Application Consultation, starting with the date of the advertisement and running until 21 September 2026. During this consultation RWE Renewable UK Limited are inviting the views and comments of the local community so that these can be considered as part of the formal planning application process.

You may inspect copies of draft application material and other supporting information online at: uk.rwe.com/craigyperthi

Further information relating to Craig Y Perthi Solar Farm can be found at uk.rwe.com/craigyperthi and any views or comments that you have can be sent via email to: info@craigyperthisolarfarm.co.uk, or by post to: Craig Y Perthi Consultation, RWE Renewables UK, 26 Tudor St, London, EC4Y 0AY. Please ensure that responses are received by the closing date of the consultation process.

There will be further opportunity to comment on the application once it has been formally submitted to Planning and Environment Decisions Wales. Updates relating to the proposals and application process will be published on the above website.
