TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017**

Notice is hereby given that RWE Renewables UK Onshore Wind Limited (“the Company”) with company registration number 03758407, having its registered office at Windmill Business Park, Whitehill Way, Swindon, England, SN5 6PB has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate a Wind Farm known as Daer Wind Farm on land next to the east of Daer Reservoir, South East of Elvanfoot, South Lanarkshire and Dumfries and Galloway (Central Grid Reference 298400 , 606690). The installed capacity of the proposed generating station would be approximately 102 MW comprising of up to 17 turbines with a ground to blade tip height of 180 metres. The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

The Company has now submitted additional information to Scottish Ministers, which includes information relating to Ornithology.

Copies of the additional information, the application and the EIA Report (‘the information’) are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening Hours	Address

The information can also be viewed on the application website at www.rwe.com/daer ; or at www.energyconsents.scot under application reference ECU00000740.

Copies of the information may be obtained from RWE Renewables UK Onshore Wind Limited (email daer@rwe.com) at a charge of £500 hard copy and free on [CD, DVD or USB storage device]. Copies of a short Non-Technical Summary are available free of charge.

All previous representations received by Scottish Ministers in relation to the application remain valid.

Any new representations on the application may be submitted by email to the Scottish Government via representations@gov.scot; or by post to the Scottish Government, Energy

Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than **30th January 2026** although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers are required to, or decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Following examination of the environmental information and all views and representations received, Scottish Ministers will determine this application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
