

Successful applications – Second grant round of the Mynydd Y Gwair Community Fund

5th November 2019

30 applications, of which 8 were successful - £123,261 awarded in total this round

6th Llangyfelach Scout Group - Improved toilets access and facilities

£5,875

To ensure one toilet area is fully accessible to those who are disabled and to improve facilities through creation of shower area. It is planned to use the building and the land behind it for camping experiences for the scout group's children and other local groups and so the shower facility will be a much needed addition.

Carmel Baptist Chapel, Pontlliw - Refurbishment of Vestry floor

£4,933

After so many years of use by members and so many of the community, the time has come to start to renew and replace to ensure that the vestry still looks its best. The grant will be used to replace the flooring in the toilets, hallway and the kitchen which has all become old and well-worn.

Clydach Senior Citizens Social Club - Enabling Social Interaction for the Elderly

£2,636

To enable elderly members of the community to spend time with others, as proven to be essential to a senior's mental and emotional health, and physical well-being. Throughout the year 2020, the club intends to organise at least 6 one-day coach trips to various towns chosen by the club's members.

Craig Cefn Parc Welfare Institute - Refurbishment of the Welfare Community Hall

£34,743

To improve catering facilities for community events including pop-up kitchens and deli's, 'One Mile Breakfasts', lunch and supper clubs, curry nights, parties, discos and teas, cookery demonstrations and classes, light refreshments following presentation events and local sports tournaments.

Friends of Coed Gwilym Park, Clydach - Refurbishment of Pavilion

£35,000

To provide Public Toilets including a disabled toilet which will be open daily during daylight hours and refurbishing the Pavilion to include painting, new lighting, wall lining, repairing showers and toilets, new upvc windows, repairs to gutters and other repair works.

Friends of Coedbach Park, Pontarddulais - Safe Passage/Aging Well

£22,000

To create a proper safe tarmac disabled width pathway in the Park connecting the Coedbach Road entrance with the Gwynfryn Road entrance so that people with prams, or walking difficulties, or wheelchairs can come into the Park and have safe passage to walk from one entrance to the other and also around the football field for health benefits.

Llangyfelach Community Council - New play equipment in Y Llwyni Park

£15,000

To install a range of play equipment encouraging children to lead an active outdoor life and provide a place for families to meet and socialise in the fresh air.

Pontlliw & Tircoed Community Council - Don't be afraid of IT!

£3,074

To improve use of information technology by all members of the community but specifically those who may not currently use information technology, may not use it to any great extent or who are afraid of it.
